Philippine College of Science and Technology | 2021-2025
Nalsian, Calasiao, Pangasinan

CERTIFICATES

Initiating and Implementing Digital Transformation

Philippine College of Science and Technology | Dec. 3, 2022

Computer Studies CODE MARATHON

Philippine College of Science and Technology | May 8, 2025

Internship at TechniqalGroup MCS

Baguio City, Benguet | May 22, 2025

ABOUT ME

I am a fresh graduate with a degree in Bachelor of Science in Information Technology. I have a strong interest in building and designing websites. I may not have work experience yet, but I am hardworking, eager to learn, and ready to improve my skills. I am excited to start my career as a web developer and be part of a team where I can grow and help with projects.

OJT EXPERIENCE

TechniqalGroup MCS

Frontend Developer Intern

On the Job Training, Frontend Developer Intern

Web Development Department, TechniqalGroup MCS, Jan 6 – May 22, 2025: Contributed to frontend development and UI/UX design using Laravel, Inertia, Typescript React, and Figma. Improved modules like Inventory and POS, created modal forms, and report pages, and proposed new feature designs to enhance user experience.

PROJECT

Queue-Ease: A Payment Queuing Interface for PhilCST

Philippine College of Science and Technology | Dec. 2024

It features admin and cashier dashboards, student interface, automated queue, CRUD operations, role-based access control, and downloadable transaction history. Built with Laravel, Bootstrap, CSS, and MySQL, it offers efficient, user-friendly payment processing.
